**O**ur mission is to reveal the hidden truth of God in Christ Jesus in simple and special way. The emphasis is to highlight Christ Jesus in His true spiritual picture, which is vital in understanding His person and purpose to humanity. We would carefully explain some reasons the world needs to understand Him from the heavenly (spiritual) realm, as this is the only means of fully grasping the truth that allows all to draw from His infinite life. This is because, logic or mental science can never understand the things of God. Today, people have reasons to question the "Christian movement" because; we have not provided solutions to the need of troubled souls and the dire crisis in societies. What we now have in some services or faith-based gatherings are persuasions and not the Word of Life. In Christ Jesus, problems are solved, people are set free from all bondage and the release of the abundant life to all, who believe in His Lordship are accomplished. Our study will center on the divine essence, or the spiritual life and values of Christ Jesus in relation to our daily living. Christianity is not religion but life. This eternal life from Christ must be truly reflective in Christians for others to see and be drawn to God. Furthermore, explanations would be given to some of the wrong perceptions that has crept into the minds of people, and reveal the true Light that would enable all to appreciate Christ Jesus...who is the only and true life giver. Finally, our source and guide to this study is the Holy Spirit, the only instructor to the things of God.

## Introduction

God is the Supreme living spiritual personality or essence, with infinite power and life span. He is the creator of existence, both in heaven and earth (Genesis 1:1). He made man in His own image and likeness, and gave man the authority to rule the earth as His delegate. This is confirmed in Genesis 1: 28, where the Holy Bible says, ***“And God blessed them (Man), and God said unto them (Adam and Eve), be fruitful and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.”*** These were the original instructions and authority from God to Adam and Eve to rule the earth as the first representatives of the human race. They missed it, when they disobeyed the commandment of God. Their disobedience was sin and this sinful nature was from the devil, which polluted Adam and resulted in the loss of his inheritance or authority over the earth. By his act of disobedience as the head of the human race, Adam sold the whole of humanity (Man/mankind) into slavery, under the rule of the devil. Thus, Jesus who was in the Godhead as the infinite embodiment of God’s divine Word, even before creation, took human form to represent mankind to the situation caused by Adam. The living Word in heaven became flesh to correct the evil nature and reconcile man back to God. These were accomplished with His sinless blood (Everlasting peace) on the Cross of Calvary. Therefore, as the Holy Spirit raised him bodily from the dead; the victory, freedom and blessings of God the Father over sin and death became alive in Him and to all, who would believe in His holy name.

---

## Who is a Christian?

---

First, let us begin by celebrating Jesus from our heart with these words, that He is blessed. He is great. He is the Prince of Peace and Everlasting Glory. He is Lord over all principalities and powers. He reigns forever both in heaven and on earth as King Eternal. He is here and now with His abundant love in our heart by His Spirit...Amen!

This text, primarily as fellowship in Spirit flows as thus; Jesus said in the gospel book of John 3: 5-6 ***“Verily, verily, I say unto thee, except a man be born of water and of the Spirit, he cannot enter into the kingdom of God. That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.”*** In addition, in Chapter 4: 24 of the same book, He said ***“God is a Spirit: and they that worship Him must worship Him in spirit and in truth.”***

Again, according to gospel book of John 6: 63, He declared ***“It is the Spirit that quickeneth (gives life); the flesh profiteth nothing: the words that I speak unto you, they are spirit and they are life.”*** The next reference is very important for all to know and think about, because there Jesus Christ made a very profound statement, which anchors the life of every believer. This should encourage everyone to raise our voice to the entire world by declaring, Jesus is alive! That He is truly alive forever as King Eternal. Here are His own words of life, truth and victory, which confirms His deity, meaning His divine, sovereign Personality and reveals His everlasting life or essence and dominion. This is in the gospel book of John 14:18, where He said, ***“I will not leave you comfortless: I will come to you. Yet a little while, and the world seeth me no more,***

**but ye see me: because I live, ye shall live also.**” What a great confession of His divine reality, of His infinite supremacy and immense prophetic knowledge. This simply gives us the conclusion of His perfect unity and heavenly possession with God the Father and the Holy Spirit. This is because, that statement is an opening into our spiritual understanding of Christ Jesus accurate record of past events in Him, who could see, knows, and can predetermine present events from within Him in perfection. In addition, who could meticulously predict, foresee, prophesy and when necessary arrange future events according to His will to God the Father’s glory with exact capacity. The message here is that, God through Christ Jesus showed His spiritual activities in physical form to the world. Not for human intellect to limit His endless and sovereign Personality to the physical human form of Christ Jesus, but for humanity to see through the vast arrangements of the heavenly by the operations of the Holy Spirit, in and through Christ Jesus in words and deeds in great supernatural proportions. This is because, the divinity of Christ Jesus is not on physical conception, neither is His spiritual manifestation by any human design, but only from God, who is Spirit. Thus, for any man to grasp from the knowledge of God, the human heart must be open to God’s spiritual revelation, and not to mental or logical deductions of the mind. To be born again according to the words of Jesus is spiritual activity and privilege received into human vessels here on earth and expressed by the Holy Spirit. The word of God is spirit and life (John 6; 63). The word of God is God (John 1: 1). Similarly, anyone that comes to God in the name of Christ Jesus receives the same Spirit and life of God.

To this extent, the heart that is open to the words of Jesus Christ, will receive spiritual food, which is the true substance of life. As this foundation settles in our heart, it then makes this study simple to understand. This is because, the revelation of Christ Jesus is first spiritual, which cancels all

human forecast, concepts and assumptions, but directs the heart to rely only on the Holy Spirit as the ultimate tutor and guide to the things of the heavenly Father; who is the only true and living God.

Given the above premise, the definition of a “Christian,” simply means, the follower of Jesus Christ. A follower is anyone, who has established relationship with God, by accepting the revelation of Christ that He is the Messiah or Savior of the world. He came from heaven to earth, and took human form by birth through the blessed virgin woman called Mary. Jesus was without sin in Him before and after birth. This is because, He came directly as One in and from the divine God. Hence, the holy child from Mary’s womb was not of human seed, because the seed was not from the male reproductive organ, but was the release of the fullness of God the Father, by the power of the Holy Spirit as a spiritual seed and took the human form or body only from the chosen and blessed woman. Therefore, He was the very image and fullness of the living God, although with human body and in real sense, He was not from an earthly father. He willingly took the sins of the world on Himself as the sacrificial lamb, and died on the Cross of Calvary to save the world from the principle of sin and death that reigned over mankind. His sinless blood was shed on the cross for sinful man. This was the complete price for the payment, and removal of sin from the flesh that gave mankind freedom from the bondage of sin and death, whose chief ruler is satan. He died for the sins of the whole world, and was raised to life from the dead by the power of the Holy Spirit. It was through death in His flesh that He got access to hell and fought the battle of salvation with the chief rulers of darkness right in their domain, and subdued, overcame and defeated satan with all its allies by the eternal power of God in Him. His resurrected life is the testimony or banner of victory over the power of sin and

death. Therefore, anyone who believes in Him receives His same life in him or her, which is eternal life. This is the victory of life over death, of good over evil and of obedience to God over disobedience. He is alive forever, and seated on the throne in heaven as the everlasting Father (Isaiah 9:6). This means, He is One with God the Father in essence, operations and sovereign power. Therefore, the follower of Jesus is more than a supporter of the divine purpose of God, but is one with the very divine nature and character of the resurrected life of Jesus Christ. This means, a Christian is now "another of Jesus-kind." In the same vein, anyone that accepts truly in the heart that, Jesus died on the cross for his or her sins, and confess openly with the mouth that He was raised bodily from the dead by the glory of the God the Father, that person is saved (Romans 10: 9-10). This is whom the Holy Scripture refers to as believer, or born again, generally known as Christian. The term Christian was coin from "Christ-like attitude or behavior." The phrase refers to those, who believe that Christ Jesus is not dead, but alive and He is Lord in their lives, and reigns forever. In other words, He now lives in earthly vessels (Human bodies) with His Spirit by exhibiting the very nature and character of God in Him here on earth through all His faithful. The word Christian was first used in the city of Antioch (Acts 11: 26). The reference was to those, who kept themselves together in fellowship after the bodily ascension of Christ Jesus into heaven. This was because, they were portraying the teachings and attitude of Christ, hence were called by others as Christ like or kind of people. Thus, anyone who believes Jesus is the Christ, is saved and born of God (1 John 5: 1). Christ is the same as the anointed One, Messiah or Savior of the world. He was anointed by God, from God and confirmed in God the Father to the world as the only perfect and acceptable sacrifice for the sins of mankind, and the everlasting peace between God and man. As the beloved

Son of God, Jesus had the absolute power and nature of God the Father in Him to fulfill the will of God here on earth. As He often called Himself, the Son of man. This did not reduce His deity, neither was His supreme divine personality ever diminished. In other words, His divine personality was not second to God, but was and is of God. His appellation as the Son of man, rather confirmed His heavenly presence and inheritance even before the foundation of the world. By calling Himself the Son of man, He was directly expressing His intention of service to humanity or mankind. The Son of man simply means, the heavenly personality of God took human form to represent the purpose of man, as it was originally from God. This was to restore dominion or authority on earth back to man. Unknown to all, except to God the Father and to those who had His spiritual revelation, like John the Baptist; by Jesus reference to Himself as the Son of man was actually the signal of claim to the inheritance of the heavenly Father on earth on behalf of man. As the Son of man, He became a servant to God and mankind. Put in proper perspective as servant, meant He was in service to the purpose of mankind as the original inheritor, heir or successor to the resources of God the Father on earth. The message Jesus was making to the adversary and its systems, was the spiritual declaration that, whatever you (satan) have stolen from God's children, I AM (Jesus) now here in service of man. In other words, He was saying, I AM the representative of man from God to claim His goodness and resources in the world back to His children. As the Son of man, He was declaring to the wicked spirits of the devil that, He is from God and now in form of man (flesh) for the service of man, to set them free from deprivation into their rightful inheritance, and to establish the fruitful relationship with the heavenly Father forever. Let us make this simple. The declaration Jesus was making was; the earth is the Lord's and its fullness. That means, God

created the earth or the universe and all resources in it by His sovereign power and the authority to rule His creation rest squarely with Him and not the wrong manipulation from the adversary. God lovingly gave man the authority to rule the earth according to His will, but Satan stole this authority from man through deceit to establish its wickedness, sin and death. This was against the original purpose or will of God. Therefore, Jesus as the Son of man, God was and is alive in Him as fully man with the perfect Anointing, to restore dominion over all things on earth according to God's goodness and love to mankind. Some will wonder, how can God take human form? They forget to understand that nothing is impossible with the infinite and all-powerful God. He is not like men, with limited abilities. Anyone, who understands the workings of the spiritual, will know God is capable of doing anything He desires. His power is absolute but use very wisely and compassionately. Therefore, all that He accomplished through Christ Jesus here on earth was by His living Spirit (Anointing), who now is working mightily in the lives of those who believe in Christ (Christians). Clearly, all issues relating to His abilities and purpose of whatever He chooses to do or show are first of spiritual content. The Holy Spirit of God cannot and is not limited in size, shape, form and operations. He chooses and executes at His sovereign will, and nothing can stop or determine His conditions and goal, but only by Himself. Jesus had a human flesh, but His complete nature and content were perfectly spiritual with God the Father. That was why amongst others, He could walk on waters and even stopped the wave of the sea, because the whole creation came from Him by God the Father. So, let our heart search for the spiritual magnitude of Christ, and the great assurance is that, we would detect or discern the perfect nature of the Spiritual God in Him. Moreover, whenever that spark of His revelation is shown in our heart, we would witness His amazing grace and be lifted

up to that atmosphere of seeing the immeasurable gift He gave to humanity forever. In any case, back to the point. Like earthly children have inheritance to their parent's possessions or wealth. The same way was Jesus saying, I AM here in flesh as man, on man's behalf, and will claim my possessions on earth for humanity to enjoy, which are from my heavenly Father. That means, He was claiming authority over the earth, which is God's creation. The original plan of God is for man to dominate the earth with His divine goodness. This plan has not changed in God's reckoning, and that was exactly what the Son of man accomplished for humanity. He was the official lamb from God to save man from the bondage of slavery. God Almighty brought the power of darkness on earth under the control of man, through the perfect obedience of Jesus Christ to death on the cross and raised bodily from the dead to life, which is the whole message of the gospel of salvation to the world. The sinless blood of Jesus Christ is the bridge that separates light from darkness, life from death and victory from failure or slavery. This bridge is built in God's name, purpose and command, and no force can stand the power of this bridge forever.

Based on the love of God to His human creation through the remission of sins by Jesus Christ, whoever believes the witness of God concerning Jesus Christ as the Messiah (Christ), receives eternal life. Eternal life is the very life in and of God. This is the same as the Holy Spirit, which was revealed in full by Christ Jesus to the world. Every Christian has eternal life, because the Spirit of God now lives inside the believer as divine seed.

The doctrine of Christ is the same as the revelation of Christ, which simply means, the descriptive picture of God through Christ Jesus, as observed and written by holy men and

women, who were inspired by the Holy Spirit. This is the full revelation of God, expressed by His beloved Son, Christ Jesus to the world. The usage of the term “doctrine,” should not be construed in literary context. Rather, these are the expressions in written words or messages, coded in spiritual content, and led into the spiritual insight of the living or divine laws of God, in the person of Christ Jesus, seen and witnessed in physical form to the world by the operations of the Holy Spirit. This is the heavenly vision and projections of God the Father as in the spiritual, brought to human race or physical in Christ Jesus by the power of the Holy Spirit. Jesus was the body or the human person, and the Holy Spirit supplied all that is of, and in God the Father through Him to the world.

## **Who is Christ?**

Christ is the divine name and office of the heavenly anointing from God the Father on the person of Jesus. This heavenly name and office was from the throne of God, confirmed on Him here on earth by the heavenly Father, and received on Him by the Holy Spirit. The anointing, who is Christ, is the fullness of God’s glory, which the Holy Spirit released on the person of Jesus, as the chosen One from heaven to perfect salvation for mankind. Salvation means the price paid to set those held in bondage free, and restore them back to more than their former lost dignity, and or to their place of glory, which is victory. It is another way of claiming restoration, refund or something taken out of debt and placed in its real and higher credit value. The word of God says, Jesus is the Christ (John 5:1), which means, He is the Messiah. [Please continue with the book: Who is a Christian? www.vmodu.com](http://www.vmodu.com)

## Water Baptism

It is necessary for all believers to baptize with water by immersion and not sprinkling. The baptism of sprinkling was of the old law, where after the killing of animals for the temporary appeasement of sins for a given period, the blood from the slain animal is sprinkled by the priest on the shrine, on the individuals, houses and other specified places as desired by the parties involved. This baptism by sprinkling took place after Moses read the Commandments from God to the people, he and Aaron, the priest killed a lamb as sacrifice and sprinkled the blood on the people as a sign of covenant with God's instructions (Exodus 24: 7-8). There are Christians today who still practice this after giving their lives to Christ. Traditionally, by this we mean according to mental religion based on men's cultural settings tied to the relevance on Moses, there is nothing wrong with it, but if we are to follow the revelation of Christ, which is true freedom and spiritual light to every soul on earth from beginning to eternity, which Moses himself is under or subject to, then it is not right, because symbolically, it does not represent what Jesus did for humanity when He died for the punishment of our sins and went under, meaning the place of sin and death, which is the domain of Satan; fought, won the battle for us and rose from that battle in victory to life for all who believe to live by Him. Therefore, that traditional atonement (sacrifice) was what Jesus Christ replaced with His perfect sacrifice, which was His shed sinless blood in death and resurrection for humanity to live forever in victory by His name through His grace. That old practice of sprinkling is done away with in Christ Jesus and the new is now by immersion. The only time anyone can sprinkle water is after anointing the water in the name of Christ Jesus and by the power of the Holy Spirit. This anointed water is then sprinkled on the individuals and

designated places or our homes as the case may be. This is not baptism, but anointing your environment by the power of the Holy Spirit. With this, one is directing the power of the Holy Spirit, who is One with God the Father and Christ Jesus to dominate and direct your life and activities in and around your environment. Let us use this verse from the book of 1 John 5: 8 to support the above revelation, which says, “**And there are three that bear witness in earth, the Spirit, and water and the blood: and these three agree in one.**” Using the above verse on the anointed water, you are connecting the power of the Holy Spirit, in the blood of Christ Jesus as divine and One with God the Father to witness His unity (anointing) in your home, desire or to your individual request. The water there is the omnipresence of God.

Again, this is not baptism, but anointing and this can be done as many times as possible over years. Water baptism by immersion should be done after one is saved and not before. This means, we are baptized in water after submitting our life to the Lordship of Christ, or being “born again.” Water baptism is not salvation, neither is it a substitute for salvation. Whoever is baptized by the “best Pastor or Bishop” in the world, without accepting Christ Jesus as the Messiah is not a Christian.

## **Christianity and religion**

The gospel of Christ Jesus is for the whole world, because the message is not only spiritual but represents the eternal revelation and provision of the true God to humanity. Christianity is not a white, black or red man’s religion, because the true and living God created all men equal with no superior race or creed. All are uniquely equal in His sight in Christ Jesus. All human content, characteristic, thought

process, emotion, body structure and expressions are the same. The only difference from one to the other is the special gift deposited in each individual for different purposes. It is the godly gift and how effective one applies his or her gift within, and to their immediate community that separate us. Religion is set of rules, laws and customs that are predetermined by human experience, and arranged as spiritual guide over a group or set of people. Christianity is the eternal life of God in the human heart or reflected by those, who believe that Christ Jesus is the Son of God. Christianity is more than human experience, but is the very spiritual and physical transformation to the divine nature and purpose of God. Christianity is the godly experience in human living. In other words, Christianity speaks of the holy life from above, which the Spirit of God only gives to the receptive heart, and not based on human efforts, drawn on tradition or set rules by men to activate spiritual attention. This is what makes Christianity not a religion, neither amongst other religions as most people assume. Christianity or Christ living is life. Life is one pure, infinite, tangible, moral and living component that is only from Almighty God (Revelation 21: 6). Life has no difference in color, shape and form. Life is not of different categories. We do not have high life or low one from the same God. The quality in life is based on the true relationship with God the Father in Christ. Life is unique, excellent and blessed from God. The true life is from God and is never destroyed, because is productive and cuts across all human perceptions and territorial boundaries. The body can dissolve, but the life of God in all believers will never die (John 8: 51).
